Background

The U.S. Secretary of Transportation announced on March 7, 2006, the five medical experts who serve on FMCSA's Medical Review Board (MRB). Section 4116 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU, Pub. L. 109-59) requires the Secretary of Transportation with the advice of the MRB to "establish, review, and revise medical standards for operators of Commercial Motor Vehicles (CMVs) that will ensure that the physical condition of operators is adequate to enable them operate the vehicles safely." FMCSA is planning updates to the physical qualification regulations of CMV drivers, and the MRB will provide the necessary science-based guidance to establish realistic and responsible medical standards.

The MRB operates in accordance with the Federal Advisory Committee Act (FACA) as announced in the **Federal Register** (70 FR 57642, October 3, 2005). The MRB is charged initially with the review of all current FMCSA medical standards (49 CFR 391.41), as well as proposing new science-based standards and guidelines to ensure that drivers operating CMVs in interstate commerce, as defined in CFR 390.5, are physically capable of doing so.

Meeting Participation

Attendance is open to the interested public, including medical examiners, motor carriers, drivers, and representatives of medical and scientific associations. Written comments for this MRB meeting will also be accepted beginning on December 31, 2007 and continuing until February 12, 2008, and should include the docket ID that is listed in the **ADDRESSES** section.

During the MRB meeting (1230-1300), oral comments may be limited depending on how many persons wish to comment; and will be accepted on a first come, first serve basis as requestors register at the meeting. The comments must directly address relevant medical and scientific issues on the MRB meeting agenda. For more information, please view the following Web site: <http://www.fmcsa.dot.gov/mrb>.

Electronic Signatures on Documents: East West Resort Transportation, LLC, and TMS, LLC, dba Colorado Mountain Express (CME), Application for Exemption

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of application for exemption; request for comments.

SUMMARY: The FMCSA announces that it has received from East West Resort Transportation, LLC, and TMS, LLC, dba Colorado Mountain Express (CME), an application for an exemption from the original signature requirement for a driver on the application for employment required by the Federal Motor Carrier Safety Regulations. The exemption would allow CME to use an electronic signature as a functional equivalent of an original signature on the driver employment applications. FMCSA requests public comment on CME's application for exemption.
