### Farm Service Agency

#### Notice of Funds Availability (NOFA) To Invite Applications for the American Indian Credit Outreach Initiative

**AGENCY:** Farm Service Agency, USDA.

**ACTION:** Notice.

**SUMMARY:** The Farm Service Agency (FSA) is requesting applications for competitive cooperative agreement funds for Fiscal Year (FY) 2010 for the credit outreach initiative targeted to American Indian farmers, ranchers, and youth residing primarily on Indian reservations within the contiguous United States. Subject to the availability of appropriations, FSA anticipates the availability of up to \$1,135,000 in funding and the award to one successful applicant through a Cooperative Agreement. This request for

applications is being made prior to passage of an FY 2010 appropriations bill to allow applicants sufficient time to submit proposals, give the Agency maximum time to process applications, and permit continuity of this program. There is no certainty that there will be appropriated funds to fund these applications, so applicants submitting applications prior to the availability of appropriated funds do so at the risk that there may be no funding. FSA requests proposals from eligible nonprofit organizations, land-grant institutions, and federally-recognized Indian tribal governments interested in a competitively-awarded cooperative agreement to create and implement a mechanism that will provide credit outreach and promotion, pre-loan education, and one-on-one loan application preparation assistance to American Indian farmers, ranchers, and youth. Successful proposals may include other innovative services intended to enhance participation by American Indians in specific FSA Agricultural Credit Programs.

**DATES:** Applications must be completed and submitted to the Agency no later than 5 p.m. eastern time September 28, 2009. Late applications will not be accepted and will be returned to the applicant. Applicants must ensure that the service used to deliver the application can do so by the deadline. Due to security concerns, packages sent to the Agency by mail have been delayed several days or even weeks.

**ADDRESSES:** Submit applications and other required materials by mail to: Mike Hill, Director, Outreach Staff, Farm Service Agency, USDA, STOP 0511, Suite 508 Portals Building, 1400 Independence Avenue, SW., Washington, DC 20250-0511.

#### SUPPLEMENTARY INFORMATION:

##### Purpose of Solicitation

This solicitation is issued under 7 U.S.C. 2204b (b)(4), which authorizes the Secretary of Agriculture to enter into cooperative agreements to improve the coordination and effectiveness of Federal programs affecting rural areas. The principal objective of this cooperative agreement is to continue a national outreach program that enables American Indian farmers, ranchers, and youth primarily located on Indian reservations in the contiguous United States to understand and have access to the various FSA Agriculture Credit Programs.

##### Proposal Requirements

All proposed approaches must include a plan for how the project will have the following capabilities in place within three months after acceptance of award:

(1) A data tracking system that records and tracks all project credit outreach activities and has the ability to provide detailed statistical information on an ad hoc basis, that must also be functional on a real-time basis as well as being available online through the Internet, and

(2) The demonstrated ability to deliver these credit outreach services utilizing the FSA online Farm Business Plan software program.

Proposals must demonstrate innovative and unique ways of ensuring that American Indians have improved access to FSA Agricultural Credit Programs through targeted outreach activities including targeted promotional campaigns, educational
