The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. OFFICE OF MANAGEMENT AND BUDGET

OMB Sequestration Update Report to the President and Congress for Fiscal Year 2016

AGENCY: Executive Office of the President, Office of Management and Budget.

ACTION: Notice of availability of the OMB Sequestration Update Report to the President and Congress for FY 2016.

SUMMARY: OMB is issuing the *OMB Sequestration Update Report to the President and Congress for Fiscal Year 2016* to report on the status of the discretionary caps and on the compliance of pending discretionary appropriations legislation with those caps. For fiscal year 2015, the report finds enacted appropriations to be within the spending limits. For fiscal year 2016, the report finds that if the current limits remain unchanged, under OMB's estimates of actions to date by both the House of Representatives and Senate for the 12 annual appropriations bills would result in a sequestration of approximately \$3 million and \$1 million, respectively, in discretionary programs in the defense category. The report also finds that fiscal year 2016 actions by the House of Representatives for the non-defense category would result in a sequestration of nearly \$1.8 billion while OMB's estimate of actions by the Senate for the non-defense category are in compliance with the current spending limit. Finally, the report also contains OMB's Preview Estimate of the Disaster Relief Funding Adjustment for FY 2016.

DATES: *Effective Date:* August 20, 2015. Section 254 of the Balanced Budget and Emergency Deficit Control Act of 1985 requires the Office of Management and Budget (OMB) to issue a Sequestration Update Report on August 20th of each year. With regard to this update report and to each of the three required sequestration reports, section 254(b) specifically states the following:

SUBMISSION AND AVAILABILITY OF REPORTS.—Each report required by this section shall be submitted, in the case of CBO, to the House of Representatives, the Senate and OMB and, in the case of OMB, to the House of Representatives, the Senate, and the President on the day it is issued. On the following day a notice of the report shall be printed in the **Federal Register**.

ADDRESSES: The OMB Sequestration Reports to the President and Congress is available on-line on the OMB home page at: http://www.whitehouse.gov/omb/legislative_reports/sequestration.

MILLENNIUM CHALLENGE CORPORATION

[MCC FR 15–01]

Report on Countries That Are Candidates for Millennium Challenge Account Eligibility in Fiscal Year 2016 and Countries That Would Be Candidates But For Legal Prohibitions

AGENCY: Millennium Challenge Corporation.

ACTION: Notice.

SUMMARY: Section 608(a) of the Millennium Challenge Act of 2003 requires the Millennium Challenge Corporation to publish a report that identifies countries that are “candidate countries” for Millennium Challenge Account assistance during FY 2016. The report is set forth in full below.

Dated: August 18, 2015.

Maame Ewusi-Mensah Frimpong,

VP/General Counsel and Corporate Secretary, Millennium Challenge Corporation.

Report on Countries That Are Candidates for Millennium Challenge Compact Eligibility for Fiscal Year 2016 and Countries That Would Be Candidates But for Legal Prohibitions

Summary

This report to Congress is provided in accordance with section 608(a) of the Millennium Challenge Act of 2003, as amended, 22 U.S.C. 7701, 7707(a) (the Act).

The Act authorizes the provision of assistance for global development through the Millennium Challenge Corporation (MCC) for countries that enter into a Millennium Challenge Compact with the United States to support policies and programs that advance the progress of such countries to achieve lasting economic growth and poverty reduction. The Act requires MCC to take a number of steps in selecting countries with which MCC will seek to enter into a compact, including determining the countries that will be eligible countries for fiscal year (FY) 2016 based on (a) a country's demonstrated commitment to (i) just and democratic governance, (ii) economic freedom, and (iii) investments in its people; and (b) the opportunity to reduce poverty and generate economic growth in the country, and (c) the availability of funds to MCC. These steps include the submission of reports to the congressional committees specified in the Act and the publication of notices in the **Federal Register** that identify:

The countries that are “candidate countries” for FY 2016 based on their per capita income levels and their eligibility to receive assistance under U.S. law and countries that would be candidate countries but for specified legal prohibitions on assistance (section 608(a) of the Act);

The criteria and methodology that the MCC Board of Directors (Board) will use to measure and evaluate the relative policy performance of the “candidate countries” consistent with the requirements of subsections (a) and (b) of section 607 of the Act in order to determine “eligible countries” from among the “candidate countries” (section 608(b) of the Act); and

The list of countries determined by the Board to be “eligible countries” for FY 2016, identification of such countries with which the Board will seek to enter into compacts, and a justification for such eligibility
